

# TRAINS UNLIMITED TOURS ANNOUNCES SPECIAL TRAIN TO 2005 NRHS CONVENTION

Trains Unlimited Tours has announced the operation of a special train from Sacramento, California to the 2005 National Railway Historical Society Convention in Portland, Oregon. The planned route includes the former Western Pacific to Keddie, the BNSF Highline to Klamath Falls, and the Inside Gateway from Chemult Junction, Oregon to Wishram, Washington. The three-day trip will operate on July 2, 3 and 4, 2005 with overnight stops in Greenville and Bend.

Although the train capacity is almost 400 seats, the operators expect it to sell out quickly because of the unusual and highly scenic route. The inbound special is now open for reservations, and NRHS members heading for the convention are urged to act quickly. The inbound special is included in Trains Unlimited Tours' 2005 brochure, which will be distributed to their full mailing list on November 1. As an incentive for early reservations, Trains Unlimited Tours is offering a \$100 per person discount off the published fares to passengers who book before October 22, 2004. Deposits are due within two weeks of placing an order.

The special train will feature a variety of accommodations and ticket prices. Trains Unlimited Tours offers optional transfers and hotel accommodations at the two overnight stops. They also plan to offer an optional chase bus for photographers on two segments of the route.
